

PERMIT EXEMPTION

A health permit is not required for any operation that is 25 square feet or less

AND

the food is:

- Prepackaged,
- Nonpotentially hazardous,
- Properly labeled, from an approved source and
- Whole uncut, uncooked, produce

For a full definition of potentially hazardous food, refer to [Ch. 2 section 113871 of the California Retail Food Code \(CalCode\)](#).

These operations are still subject to inspection as a result of a complaint.

***25 Square feet, or less, may look like:**
